

HYBRID COLLABORATION

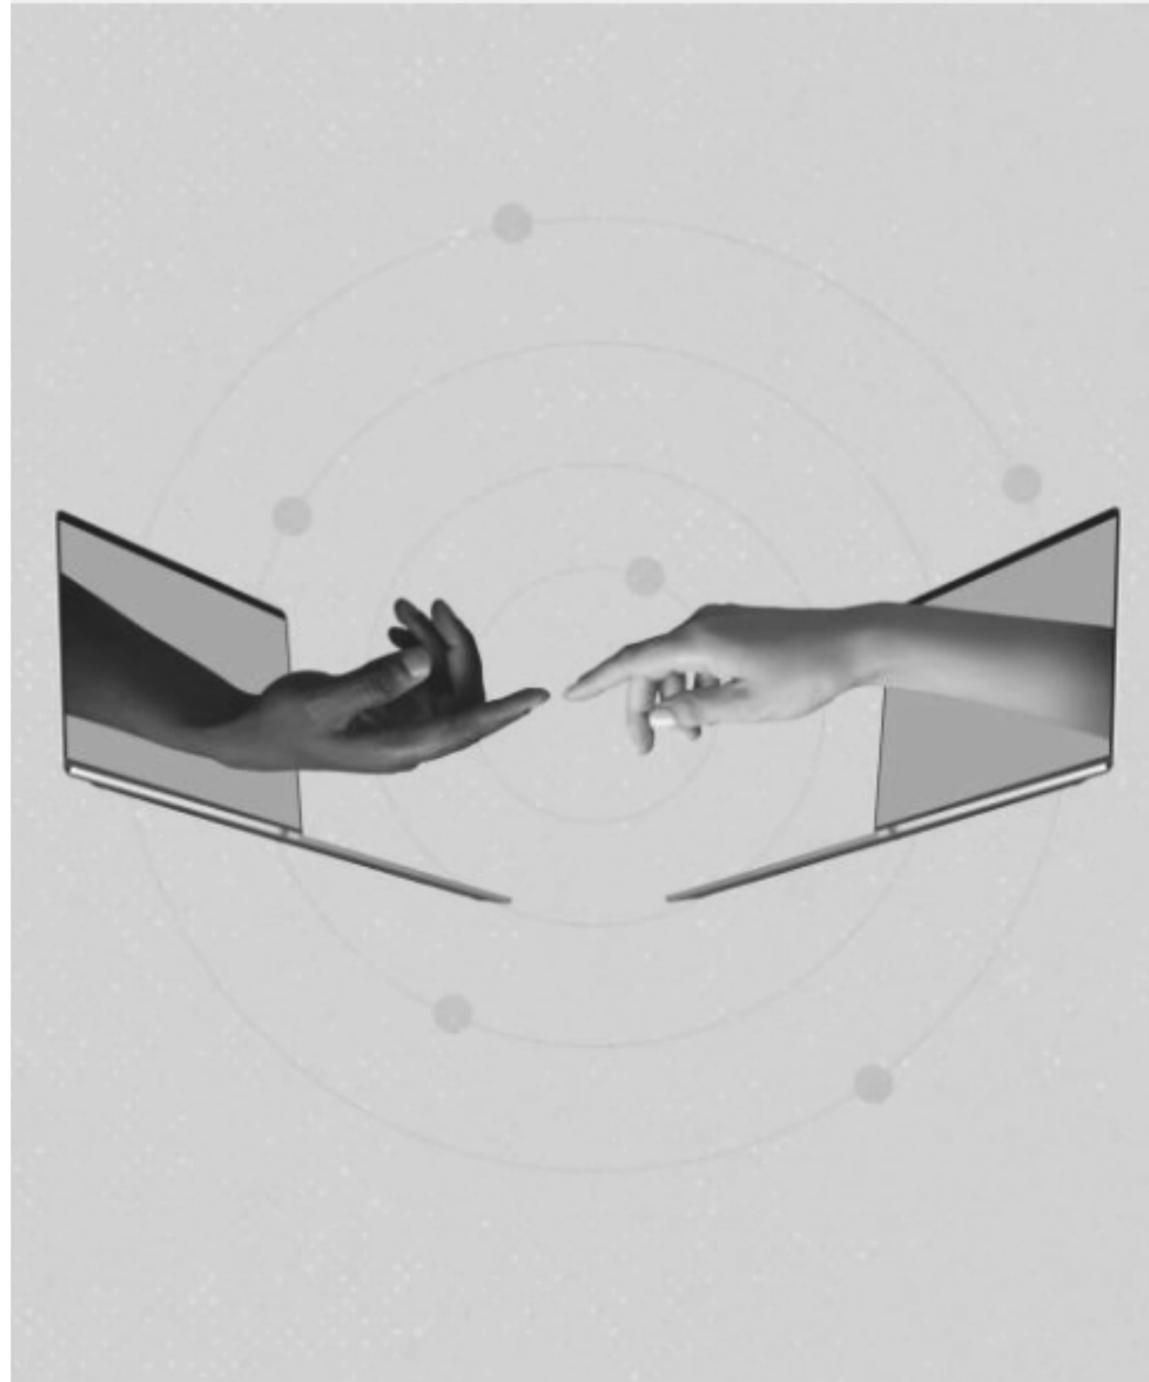

EMBRACE
AND
EXPLORE

Fit for hybrid in
two workshops

©NEOFAKTUR

MODULE 1: EMBRACE

HYBRID COLLABORATION
REQUIRES A SPECIFIC MINDSET
SO THAT TEAMS CAN WORK
TOGETHER EFFECTIVELY.

In this interactive workshop we will look at dynamic team collaboration and methods for greater effectiveness and more outcome.

Goals:

- strengthening innovation in your team
- driving projects with enhanced focus on outcome
- furthering each individual's implementation skills

Duration: 3 hours online

MODULE 2: EXPLORE

HYBRID COLLABORATION
REQUIRES MATCHING
TOOLS AND SKILLS.

In this workshop you will familiarize yourselves with collaboration tools - virtual whiteboards and mindmaps, communication tools, project management tools, virtual facilitating etc.

Goals:

- testing tools using real examples from your work
- deep dive: which tool to use for what?
- broadening individual digital skills

Duration: 3 hours online

THE WORKSHOP EFFECT.

These workshops are a mixture of both knowledge transfer and experimenting with various collaboration tools. After familiarizing themselves with tools for hybrid collaboration, your team will test their suitability for everyday use. Your team will be ready for putting everything to use in their everyday work.

ELISABETH FISCHER

Hybrid Expert
and Consultant

elisabeth.fischer@neofaktur.com

KATHRIN MANN

Communication Expert
and Consultant

kathrin.mann@neofaktur.com

Elisabeth Fischer has many years of international corporate and consulting experience. She has earned a reputation as a creative and motivating implementer. Her projects range from supporting innovation initiatives, introduction of New Work to coaching cross-functional teams. Elisabeth gives great importance to successful forms of collaboration. As an agile coach and expert in hybrid work and leadership, she supports managers and their teams in mastering current challenges in the working world.

Kathrin Mann is an experienced consultant, entrepreneur and executive coach. As a consultant, she is familiar with the start-up & corporate environment and offers methodical knowhow and the toolkit that is needed for sustainable implementation and change. As an entrepreneur, Kathrin knows what it means to assert oneself as a woman in business. As an executive coach, she supports managers in communicating clearly, asserting themselves authentically and radiating self-confidence - especially when it comes to female empowerment.
